

Mildred Campbell Leadership Award

Mildred Keller Campbell, a significant benefactor of Buffalo State, dedicated years of service to the College Council, the Alumni Association, and the Buffalo State College Foundation. After graduating from Buffalo State in 1928, Campbell went on to teach with the Buffalo Public Schools, the Buffalo Seminary, and the University at Buffalo. The Student Life Office created the Mildred Campbell Leadership Award in her honor. The award is offered annually to an undergraduate student based upon the evaluation of the nominee's leadership credentials in accordance with the established criteria. An individual plaque and award citing the recipient's distinction will be presented at a ceremony on campus in the spring semester.
